

Chalk Walk Art Event

— 2016 —

Saturday, August 13th

9:30 a.m. - 10:30 a.m.
St. Michael City Center

Featured artists

Gary and Eve Wallinga

Gary and Eve Wallinga of St. Cloud work together to create acrylic paintings using dots applied with sticks.

Each child who participates will be given his or her own block of cement in front of the St. Michael City Center on which to color. This free art event is part of the St. Michael Daze & Knights Festival.

This year's theme is "my favorite animal."

The event sponsors will be handing out fun, free prizes the day of the event, to thank each child for participating.

The lovely sidewalk chalk art will be on display during the festival and parade.

Here's what you need to know:

- Upon arrival, please visit the sign-in table at the front/south entrance of the St. Michael City Center. Volunteers will be on hand to assist children in getting started.
- A child may have his or her own block to color.
- Families/friends may work on a bigger sidewalk block together, if they wish. We encourage children of all ages to participate.
- Sidewalk chalk will be provided, or you may bring your own.
- Sidewalk chalk only can be used.

This sidewalk chalk art event—a community art project—is being sponsored by the **Friends of the St. Michael Library** and **Shop STMA**.
